A Man and a Dog
'The Sand Pebbles'
Magnificent Story

Brooks Shults tells me a homeless dog has taken up residence with him at Fulton.

"I never saw this cur before," says Brooks, "but he's there every night. He recognizes the sound of my Buick coming up the drive and rushes out to meet me, tail wagging and barking, as if to say 'Welcome home, boss!' I haven't been feeding him - yet - for fear I'll be adopting him. But he's persistent and smart. And every night he's still there."

That's the oldest dodge indogdom. Houses spell people to a dog. Around people there's food and companionship. So, just stick around, doggie - people are busy, but you've got time . . . plenty of time.

I'm reminded of a quote from a book a brother-in-law sent me, F. M. Gibson of Sarasota, Fla., titled "How to Raise a Dog."

The female weaned her pups, nipped them, and said:

"Now all you guys scram - and go find a man of your own."

I haven't seen the motion picture but I've read the book - one of the greatest of our times - and I recommend you see "The Sand Pebbles" which plays at the Saenger theater Sunday and Monday. Reports from the big cities say the movie equals the book, which if only half true would still make it magnificent entertainment.

Richard McKenna wrote the novel, a Book-of-the-Month Club selection and a best-seller, serialized also in the Saturday Evening Post. So all our information points to a smash movie.

It's an authentic story - a real-life tale of an old American gunboat up a hostile river in the days when local warlords and the upstart Reds were fighting for control of China.

It's authentic because the author, Richard McKenna, is a career Navy enlisted man who spent most of his years in China waters. Upon retirement he married a teacher, went to school at the University of North Carolina, learned to write - and then put down on paper the experiences of a lifetime. It's the most fascinating adventure and action you will ever read - and perfect for the movies. It couldn't miss.

The film is a Robert Wise production for 20th Century Fox, starring Steve McQueen, Richard Greene, and Candice Bergen. If the title puzzles you, let me explain. The old gunboat was one the United States took over from Spain when we freed the Philippines. Its name was the San Pablo - which in U.S. sailor jargon was inevitably changed to "Sand Pebbles."

Would Limit Union, Public Workers

LITTLE ROCK (AP) - A brief filed before the state Supreme Court contends that union activity by public employees can be restricted, only by the state legislature.

The brief, written by Sam Sexton Jr. of Fort Smith, was filed by Arkansas State Council 38 of the American Federation of State, County and Municipal Employees.

The brief supports a ruling by Sebastian Chancellor Warren C. Kimbrough who said the city of Fort Smith must recognize the union as the bargaining agent for city employees.

City attorneys argued in a brief two weeks ago that the state's "right to work" amendment and an enabling act do not include the cities.

Sexton said Amendment 34 was a "valid exercise of the legislative authority."

Barber Plans His Own Poll

CULVER CITY, Calif. (AP) - A barber is conducting his own presidential preference poll

"to see if a poll has to be scientific to be right."

Reuben Moreno placed a locked ballot box in his shop Thursday. After each haircut, a voting-age customer may cast a ballot for his presidential favor, he Moreno said.

The results will be posted Nov. 1, he said, four days before the Nov. 5 election.

I-30 Access Route Is Discussed

The City Board of Directors held a special meeting Thursday night with John Harsh, Arkansas State Highway Commissioner, to discuss the Arkansas State Highway Traffic Study of Hope.

A large number of interested citizens attended, not only from East Second Street and South Edgewood Street, but from other sections of town.

In the discussion between Mr. Harsh and various members of the Board, many points were cleared up in everyone's mind. The most important to most people was that the Highway Department would make further studies if it were requested by the Board and that the study published a few months ago did not have to be accepted in whole or in part.

Another major point was that the scheduled work by the Highway Department on South Main Street would be done whether the study was accepted or rejected, as the improvement would be needed before any other routes could be completed.

Before any route for Highway No. 4 and No. 29 from South of Hope to Interstate 30 would be scheduled there would have to be agreement between City Officials, State Highway Department, and the United States Bureau of Public Roads. A public hearing by the State Highway Department would be held before it would be submitted to the Bureau of Public Roads and any proposals could be stopped at the point as was the "Hervey Street Route" several years ago.

Mr. Harsh pointed out that any new access roads from Interstate 30 would have to be built to connect to present Highway 67 and could not stop somewhere North on the Missouri Pacific Railroad tracks. The North plan would also have to tie in with a master plan to handle traffic to both Highways No. 4 and No. 29 South at some future date. He pointed out that the Northern part would be needed as soon as Interstate 30 is completed, but that the Southern part might not be completed for 10 to 15 years.

Mayor Donal Parker opened the meeting to the audience for further comments about the State Highway Traffic Study and alternative Routes. After discussion it was suggested by a member of the Board that the citizens might come up with suggestions to be considered by the Board, to be submitted to the Highway Department for further study.

Some Think Half U.S. Troops Could Leave, Not Hurt War Effort

By PETER ARNETT
Associated Press Writer
SAIGON (AP) - How soon can the half million American troops in Vietnam begin turning the burden of the war over to the Vietnamese military and start going home?

The prevailing Saigon viewpoint sees this goal realized only years from now unless a settlement is negotiated. The arming of the Vietnamese with more than 200,000 M16 automatic rifles, half of them already delivered, is seen as the initial phase of a long rebuilding process.

And yet because of the peculiar way the Vietnam war is being fought, particularly the general acceptance that military victory in the classical sense is unreachable because of the war's "limits," there is another viewpoint that suggests American boys can start moving out right now without any appreciable military injury.

Just as another quarter of a million American troops are brought into Vietnam would not necessarily win the war, many believe the converse applies: A quarter of a million troops pulled out would not necessarily lose it.

Civilian and military viewpoints on the prospects do not necessarily coincide, but the view that American force levels could and should be reduced has already been placed in circulation in the top government levels in Washington, according to senior Americans here. Its proponents see the war's cost - about \$90 billion this year - as the major irritant within the United States over Vietnam.

3rd District Livestock Show Starts Sept. 23 With Downtown Parade

The 24th annual Third District Livestock Show will get underway on Monday September 23 with a parade in downtown Hope at 4 p.m. Attractions and events throughout the week include the Youth Talent Contest on Monday Evening with youth from the entire area participating for \$100 in cash prizes. The winner in this event will represent the Third District Show at the State Show in Little Rock the following week.

Tuesday will be the annual Third District Queen's Contest. Queens who have previously been designated as winners in the County Shows in the District, as well as others properly sponsored will be eligible to compete for \$100 in cash prizes. The winner of this contest will also represent the Third District Show at Little Rock the following week.

Wednesday has been designated as the day for the Annual Quarter Horse Show. This event always attracts many from several states as well as local Quarter Horse owners. It will take up most of the day with Halter Class events and the performance classes will be held in the evening beginning at 8 o'clock.

Trophies, ribbons and cash prizes will be available to the winners in the different classes and events.

The big event of the week is the annual Rodeo that will be held on the last three days beginning on the 26. This year's event is an I.R.A. approved one and the producer will be Gerald Smith of the Wing Ranch Rodeo Company of Bogota, Texas.

An added attraction this year will be a Rodeo Queen's Contest, sponsored by the Riding Clubs throughout the area. Contestants will appear at the Rodeo each evening and the crowning of the

Food Stamps Since Aug. 1 Total \$9,672

Families participating in the Food Stamp Program in Hempstead County received a total of \$9672 in food coupons since August 1 when the program began here.

Eligible families purchased \$3,144 worth of food coupons and received an additional \$6,528 worth free. It is the free coupons which give low-income families extra food buying power for a more adequate diet.

The Hempstead County Welfare Office determines eligibility of a family. Coupons are sold during regular business hours at the County Courthouse. They are used to buy all foods, except imported items.

els in Washington, according to senior Americans here. Its proponents see the war's cost - about \$90 billion this year - as the major irritant within the United States over Vietnam.

Some Americans here believe that a phased reduction of U.S. troops could begin immediately, paring the number to 200,000 by 1972. One of the proponents is John P. Vann, an influential and knowledgeable regional director of the U.S.-backed pacification program.

Vann would cut deeply into the elaborate military structure built by the former commander of U.S. troops and now chief of staff of the Army, Gen. William C. Westmoreland.

The U.S. high command jealously guards its establishment in Vietnam. Vann admits his proposal is provocative. "It would need a hard-headed secretary of defense to push it through."

Senior U.S. field commanders are against pulling out any American troops in the foreseeable future. Lt. Gen. Richard G. Stilwell, commander of the area that includes the battle-scarred demilitarized zone, comments: "No troop commander will ever admit he has too many trigger-pullers." Certainly it is a tenet among commanders that they

Queen will be held on Saturday Evening. The winner in this event will represent the Third District at the State Show in Little Rock the following week. A beautiful hand tooled saddle will be awarded to the young lady Queen contestant who sells the most Rodeo tickets prior to the beginning of the Rodeo on Thursday.

On the Midway all week will be the Sonny Meyers Amusement Company Carnival. The exhibit portion of the Coliseum will house various exhibits and the barns are being made ready for the top livestock in the area to be seen. Premium money for livestock will be \$5,000 divided \$3,00 for the adult division and \$2,000 for the juniors.

Officials of the Show predict that 1968 will be top year as far as exhibits and attractions are concerned and they are expecting record crowds throughout the week.

Clifford in Defense of Gun Contract

By BOB HORTON
AP Military Writer

WASHINGTON (AP) - Army methods of awarding contracts for stepped up production of the M16 rifle were intended to hasten an end to the Vietnam war, says Secretary of Defense Clark M. Clifford in answer to congressional critics.

The defense chief said Thursday avoidance of competitive bidding was legal and was necessary to rush the weapons into the hands of South Vietnamese soldiers.

"The United States is supplying South Vietnamese with thousands of the lightweight M16s each month hoping eventually to let them handle most of the fighting."

"The M16 rifle is not only the best shoulder gun today, it has become a symbol to the South Vietnamese forces," Clifford told the National Press Club.

"If a South Vietnamese soldier has an M16, then, by God, he's on top of the heap. He knows he has a better weapon than the enemy."

A Senate investigating subcommittee earlier this week assailed the Army for awarding contracts last April without competitive bidding to the General Motors Corp. for a ceiling price of \$56.3 million and to Harrington & Richardson for a ceiling of \$41.5 million.

It criticized the Army for failing to consider lower bids by Maremont Corp. of Saco, Maine and Cadillac Gage.

The Army's explanation has been that the two companies which won the M16 business were in better position to produce them faster.

Confirmation of Fortas Has Dimmed

WASHINGTON (AP) - President Johnson said today a "little group" of senators should not be allowed to "thwart the view of the majority" of senators whom he portrayed as favoring the nomination of Abe Fortas to be chief justice.

By JOHN CHADWICK
Associated Press Writer
WASHINGTON (AP) - Senate leaders are taking an increasingly dim view of Abe Fortas' chances for confirmation as chief justice and raise the possibility his nomination will die in committee.

President Johnson, however, is pictured as still hopeful Fortas will make it and as giving no indication he might withdraw the nomination.

Republican Leader Everett M. Dirksen of Illinois indicated Thursday that opponents may succeed in keeping the nomination locked up in the Senate Judiciary Committee.

Although Dirksen is supporting the nomination and is the senior Republican on the committee, he said a filibuster in the committee is "the kind you cannot lick."

This is because it is easy for opponents on the committee to keep talking until a meeting is cut off by the start of Senate sessions, Dirksen said.

Under the rules, committees are barred from meeting while the Senate is in session except by unanimous consent.

"I'd say the opposition has hardened and may well have increased," said Majority Leader Mike Mansfield. He termed Fortas' chances of confirmation to succeed Earl Warren "not encouraging."

Mansfield said he just didn't know when the committee might act on the nomination.

Dirksen and Mansfield commented at separate sessions with newsmen. But they agreed that even if the nomination gets out of the judiciary committee, it is doubtful if the necessary two-thirds majority could be obtained to break a filibuster in the Senate.

Stalled by the controversy over Fortas' appointment is Johnson's nomination of another old friend, Federal Judge Homer Thornberry, to be an associate justice of the Supreme Court.

Unless Fortas is confirmed, there won't be any vacancy on the court for Thornberry to fill since Warren has made his retirement is contingent on approval of a successor.

Presbyterians to Hear Dr. Oscar L. Black

Dr. Oscar Lee Black, who has been an ordained United Presbyterian minister for 34 years, will fill the pulpit at the local Presbyterian church Sunday morning and again on Sunday, Sept. 29.

Dr. Black's ministry began in the home mission field in South Dakota and has included pastorates in South Dakota, Minnesota, Indiana, Wisconsin, Missouri, Oklahoma and at Hot Springs and Russellville, Ark. He has a Bachelor of Arts degree from Macalester College, Bachelor of Law from Cumberland University, Doctor of Divinity from Mississippi Valley College and Doctor of Optometry from Southern College of Optometry. For 13 years prior to 1965, Dr. Black was chaplain of the Oklahoma Optometric Association.

Besides his preaching ministry, Dr. Black has specialized in dramatic impersonations of Biblical characters who knew Jesus. Dr. and Mrs. Black are presently living in retirement on Lake Catherine in the Hot Springs area.

Pleads Innocent to Murder

EL DORADO, Ark. (AP) - Circuit Judge Harry Crumpler set bond Thursday at \$1,500 for Katherine Primus, 65, of El Dorado after she pleaded innocent to charges of second-degree murder.

No date has been set for the trial of Miss Primus, who was arraigned in the stabbing of William Taylor, 40, of El Dorado. Taylor was killed Sunday night.

Only Strong Can Deal With Soviet Russia, Says Defense Chief

By FRED S. HOFFMAN
AP Military Writer

WASHINGTON (AP) - Secretary of Defense Clark M. Clifford says the United States must toughen its negotiating position toward Russia by pushing missile development and defense.

Clifford also came out strongly for keeping "a significant American military presence in Western Europe," which feels threatened by the concentration of Soviet troops in Czechoslovakia.

The defense chief's statements before the National Press Club were among several developments Thursday to indicate a toughening attitude since the Soviet-led invasion of Czechoslovakia.

Clifford said recent developments confirm that "when and if we negotiate, safety and success demand that we negotiate from strength."

Clifford indicated that he believes the climate may not be right for the arms control talks which the Soviet Union has agreed to.

"We can continue to hope that, at an appropriate time, these talks can take place," he said.

Clifford appeared at the Press Club luncheon after a series of high level policy discussions, including a session of the National Security Council chaired by President Johnson.

Those sessions weighed the implications of Russia's reversal to a hard line, and possible action the United States might take at the diplomatic and military level to shore up Western defenses.

There were the related developments:

-Citing the Czech situation, the State Department announced cancellation of a tour of Russia by the University of Minnesota concert band and a second ceremonial flight marking the start of commercial air service between New York and Moscow.

-Senate Democratic Leader Mike Mansfield, commenting after a White House meeting, said there was a possibility the Senate will not act this year on the nuclear nonproliferation treaty.

-The State Department branded as "indecent and outrageous" attacks in the Soviet press which said the Atlantic Alliance had planned to take over Czechoslovakia before the Russians.

Cong Uses Civilians for Shield

By GEORGE ESPER
Associated Press Writer

SAIGON (AP) - A veteran Viet Cong battalion, herding women and children in front as human shields smashed into a company of American paratroopers in three waves early today. Thirty-one Americans were killed and 27 wounded.

The waves of troops from the Viet Cong's Cu Chi Regiment broke through a company from the U.S. 101st Airborne Division 26 miles northwest of Saigon.

The Viet Cong and the paratroopers were still locked in battle as night fell.

Thirty-one Viet Cong have been reported killed so far.

AP photographer Max Nash reported from the battlefield that many of the Americans were killed by the Viet Cong as they lay wounded on the field.

The battle was one of three fought northwest and southwest of Saigon today in which, according to incomplete reports, at least 110 of the enemy were killed and 150 persons seized as suspected Viet Cong.

A Communist defector had told U.S. intelligence officers that Viet Cong troops were meeting Thursday in the village of Ap Trang Dau, nine miles from a major allied military base housing the headquarters of the U.S. 25th Infantry Division and a South Vietnamese training base for rangers.

Troops from the 25th Division put a cordon around the village, and the Viet Cong tried unsuccessfully three times to break out.

Suddenly, Nash reported about 300 enemy troops charged through rice paddies into an American paratrooper company 150 yards away. The came in three waves. At command headquarters in Cu Chi, the voice of a radio operator came through: "They are coming, they are coming." Then the radio went dead.

U.S. officers said the first wave of enemy troops came running shoulder-to-shoulder through the night, screaming firing assault rifles and pushing women and children in front of them as human shields.

After breaking the cordon, the enemy vanished into the darkness, leaving 31 of their own dead on the battlefield. Nash said some of the third wave enemy troops had bamboo pole with them to carry off some of their dead.

Low temperatures reported around the state this morning ranged from 47 degrees at Fayetteville to 63 at Texarkana.

Croxtan Says Public Tired of the GOPs

By ED SHEARER
Associated Press Writer

LITTLE ROCK (AP) - Hal Croxtan, the Democratic nominee for Congress in the 3rd District, says he believes "everybody is disgusted with the publicity of Arkansas Republicans."

Croxtan, who opposes Republican Rep. John Paul Hamm, said in the Nov. 5 general election, says, "They (GC) continue trying to make a dollar out of 15 cents."

In its effort to build a two party system in Arkansas, Croxtan says, the state GOP has tempted to elect a candidate "with almost no previous political experience."

"They take almost anybody picked up from here and there," Croxtan said.

Boswell Not Supporting Anyone

LITTLE ROCK (AP) — Ted Boswell, who came within a few hundred votes of earning a spot in the Democratic runoff for the gubernatorial nomination, said Thursday he was not actively supporting any candidate in the general election. But he said he would continue work within the party for things in which he believes.

He said he did not know if he would run for public office again. Boswell made the remarks during the taping of KATV's Challenge '68, which is to be shown Sunday.

Boswell, a strong advocate of constitutional reform, was asked whether the administration of Gov. Winthrop Rockefeller or one headed by Democrat Marion Crank would work harder for a new constitution.

He said Crank probably personally supported calling a constitutional convention, and that Rockefeller had expressed himself openly for a convention.

Boswell said the ability of county and local governments to cope with their problems was seriously restricted by the current constitution, which was written in 1874.

Daley to Get Chance to Tell His Side

CHICAGO (AP) — Mayor Richard J. Daley will get his chance to show in at least eight cities his view of what happened in demonstrations during the week of the Democratic National Convention.

A statement signed by the mayor and released Thursday by an aide said Daley has accepted the offer of prime time by two broadcasting companies.

A documentary program, prepared by the mayor's office, will be shown on the Metropolitan television and radio network, reaching New York, Los Angeles, San Francisco, Washington and Duluth, Minn. The firm has offered to make the program available to any other station interested in showing it.

Time and date of the airing have not been set, the aide said, but will be announced shortly. It was not announced who will narrate the film.

Earlier this week, Daley asked the three major television networks for prime time to present his case to the American people. Daley charged that the networks presented "one-sided coverage" of demonstrations and police actions during last week's convention in Chicago.

The Columbia Broadcasting System rejected Daley's request, saying it already had given Daley a chance to present his view in a 30-minute interview during the convention.

The National Broadcasting Co. and American Broadcasting Co. offered Daley an opportunity to appear on a prime-time panel discussion with newsmen, but refused to allow him to make an independent presentation.

Daley has rejected these proposals because the "format does not meet the purpose of providing a balanced presentation," the aide said.

Interest Rate Continues

LITTLE ROCK (AP) — The 4 1/2 per cent interest charged on surplus state funds on deposit in private banks will continue in effect during the quarter which begins in October.

The state Board of Finance voted Thursday to maintain the interest rate, which is the maximum that can be charged by the state. The board, acting on the suggestion of Gov. Winthrop Rockefeller, moved three months ago to impose the rate on \$23.4 million currently on deposit in the banks.

need as much manpower as is necessary to accomplish the missions assigned them.

The commanders argue that under the ceiling of 550,000 U.S. troops for Vietnam imposed on the military, an "economy of forces" strategy is already being practiced in most of the country. This is the minimum deployment of forces in one area to permit the maximum deployment in another.

Only around Saigon itself and in the two northernmost provinces are there enough forces to amply meet maximum enemy pressure. Elsewhere the allies react to enemy thrusts by rapidly massing the limited forces available.

Seeking Seats to Convention

LITTLE ROCK (AP) — Two more persons have filed as candidates for delegate seats at a proposed constitutional convention.

Ardis F. Conner of Harrison filed for the seat from District 3, which is Boone County. John I. Smith of Fayetteville filed for Pos. 2 in District 7, which is Washington County.

Jury Recalls 2 Witnesses in Murder Case

By JACK SCHRIEBMAN
Associated Press Writer
OAKLAND, Calif. (AP) — The jury in the murder trial of Black Panther founder Huey Newton interrupted its deliberations Thursday night to listen again to testimony from two major prosecution witnesses.

The jury of seven women and five men also asked to see the abdominal wound Newton received the night one white policeman was slain and another wounded.

Newton, 26, is charged with killing policeman John Frey on Oct. 28 and wounding officer Herbert Heanes.

The jury deliberated for seven hours Thursday without reaching a verdict. It was still hearing the transcript of witness Henry Grier when locked up for the night.

Grier, a Negro, testified he saw Newton shoot Frey. "I saw him aim the gun and fire," Grier testified.

Heanes, the only other officer on the scene besides Frey, testified he did not see Newton with a gun.

A member of defense attorney Charles Garry's staff said it was a good sign for Newton that the jury had asked to re-hear testimony the defense insisted was conflicting.

Evidence showed the shooting occurred after Newton's car, registered to his girlfriend, was stopped at 5 a.m.

Testimony brought out that Frey had been shot with his own service pistol three times and Heanes had been wounded with the same gun. Frey's gun is missing and no weapon identified with Newton has been found.

Newton testified he had no gun and that Frey shot Newton in the abdomen. The prosecution claimed Newton wrestled the gun from Frey and shot him with his own weapon.

Grier, at the time of the shooting, told police the slayer had been wearing a light tan jacket, but testified it was a dark jacket. Newton was wearing a dark jacket.

The jury members appeared grim and tense Thursday evening as the court reporter droned out Heanes' testimony.

Off-duty Cops Beat Up Black Panthers

NEW YORK (AP) — Mayor John V. Lindsay and Police Commissioner Howard R. Leary say they will press for action against off-duty policemen who took part in an attack on Black Panthers and white sympathizers in a courthouse.

Lindsay told a City Hall news conference Thursday that Leary had confirmed reports that "off-duty policemen, as well as civilians, were involved" in the incident Wednesday at the Brooklyn Criminal Court.

"Commissioner Leary has assured me that he will take immediate and vigorous action against any individual member of the force who has violated the law or departmental regulations, including criminal prosecution if that is warranted by the facts," Lindsay said.

Leary, in a teletype message ordered read to every member of the force, said "this department will not tolerate any unlawful actions on the part of individual police officers on or off duty, and when the situation warrants violators will be arrested."

Humphrey Says He's Best Hope for Peace

By CARL LEUBSDORF
Associated Press Writer
MINNEAPOLIS, Minn. (AP)

Vice President Hubert H. Humphrey says he thinks he would probably be more likely to bring peace in Vietnam than Richard M. Nixon would. But he hopes the Johnson administration can end the war by January.

The vice president gave these assessments to reporters Thursday night as he returned home for a final weekend of rest before resuming his presidential campaign Monday by riding in a ticker tape parade and speaking to a rally in Philadelphia.

Arriving at Minneapolis-St. Paul International Airport, Humphrey was asked about a CBS report that Sen. Eugene J. McCarthy, his defeated Democratic opponent, has felt since March that 1968 is Nixon's year.

"I surely don't believe it and that's the only comment," Humphrey shot back.

He was then asked about the report's conclusion that McCarthy "suspects" Nixon would be more likely to settle the war because he is not identified with the policies of the last four years.

"I don't agree with that," Humphrey said, adding, "I think I have every bit as good a chance and maybe a good deal better" to end the war.

"In the meantime," he added, "I am hopeful that the present administration will be able to end that war."

Turning to his Republican opponent, Humphrey said, "Mr. Nixon is not known as a peace maker. His life has been much more characterized by the field of the cold war policy."

Earlier, talking with reporters aboard his campaign plane on the flight from Washington, Humphrey said Nixon's campaign opener in Chicago Wednesday reminded him of Thomas E. Dewey's unsuccessful

run in 1948 for the presidency. "I remember when Tom Dewey thought he could glide through a campaign full of love and kisses, all he thought he had to do was smile and look pretty," he said.

By their victories, Misses Alabama and Illinois join Miss

Miss Virginia as preliminary round winners.

The crowning is Saturday night.

Meanwhile, contestants were expected here for the start tonight of the Miss Black America contest which is being held in protest of what its sponsors call the "lily white" Miss America Pageant.

Nixon After the Nation's Forgotten

SAN FRANCISCO (AP) — Richard M. Nixon is campaigning for the votes of the nation's middle class—"the forgotten Americans" who he says are threatened by inflation and violence in the streets.

"They work in the offices of America, they work in the factories of America, their sons man the walls of freedom around the world," the Republican presidential candidate told a rally Thursday night.

"These are the forgotten Americans and they have been silent. Silent, but now they are waking up and their voices are being heard. And their voices are going to sweep across America and drown out those who would destroy America," he added.

Today Nixon moves his campaign into the Southwest for a visit to the National Aeronautics and Space Administration installation at Houston, Tex., and then a speech in the Texas city at night.

U.S. Ambassador George W. Ball told the council Thursday: "My government... strongly deplores this incident and feels that the government of the United Arab Republic should be held strictly accountable."

Firing continued across the Jordanian border today, and four Israeli border police patrolling in an army half-track were wounded slightly near the settlement of Neve Ur, in the Belsen Valley, the army reported. The Israelis returned the fire, a spokesman said.

UN Solution on Middle East Unlikely

UNITED NATIONS, N.Y. (AP) — U.S.-Soviet disagreement dogged the U.N. Security Council's 10 nonpermanent members today as they discussed what to do about Israel's complaint that Egyptian troops killed two Israeli soldiers and kidnapped a third in an ambush by the Suez Canal Aug. 26.

The United States is demanding action and the Soviet Union is threatening a veto. Many diplomats felt general agreement would be so hard to reach that it would be next week before the council could meet again to wind up the debate, which started Wednesday.

U.S. Ambassador George W. Ball told the council Thursday: "My government... strongly deplores this incident and feels that the government of the United Arab Republic should be held strictly accountable."

Crank Seeks Out Progressives
LITTLE ROCK (AP) - The Progressive Democrats of Arkansas have been approached by Marion H. Crank's organization to meet with the Democrats' gubernatorial nominee sometime this week.
Jerry Matheny, one of the organizers of the group, said a meeting may be held because the organization is interested in learning Crank's views on several subjects. The PDA was established last week following the Democratic National Convention.

Demolition of Exhibition
LOS ANGELES (AP) - Demolition is under way for a \$38.5-million convention and exhibition center on the southwest edge of downtown Los Angeles. Ground was broken in a ceremony.

LEGAL NOTICE
PROPOSED CONSTITUTIONAL AMENDMENT NO. 53
(Legislative)
FOR A PROPOSED CONSTITUTIONAL AMENDMENT TO ELIMINATE AGE RESTRICTIONS ON PUBLIC EDUCATION.
BE IT RESOLVED by the Senate of the State of Arkansas, and by the House of Representatives, a majority of all the members elected to each House agreeing thereto:
That the following is hereby proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the State for approval or rejection at the next general election for Representatives and Senators, or a majority of the electors voting thereon, at such an election, adopt such amendment, the same shall become a part of the Constitution of the State of Arkansas, to wit:
SECTION 1. The Constitution of the State of Arkansas, as amended by the House of Representatives, and by the Senate, a majority of all the members elected to each House agreeing thereto:
That the following is hereby proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the State for approval or rejection at the next general election for Representatives and Senators, or a majority of the electors voting thereon, at such an election, adopt such amendment, the same shall become a part of the Constitution of the State of Arkansas, to wit:
SECTION 1. That Section 28 of Article VII of the Constitution of the State of Arkansas is hereby amended to read as follows:
"Section 28. (a) The county judge shall be the administrative officer of the county, and in his capacity as county administrator the county judge shall, in the manner provided by law; approve the disbursement of money for county purposes; supervise the construction, maintenance and improvement of county roads and bridges, county buildings and other county improvement; make contracts, purchases and sales in behalf of the county; and perform such additional duties as may be prescribed by law. The General Assembly shall enact laws requiring each county judge to furnish a surety bond of a corporate surety company authorized to do business in this State, in such amount as may be determined by law, for the faithful performance and accounting of all duties imposed upon the county judge as county administrator. Any person aggrieved by any act or omission of the county judge, acting in his capacity as county administrator, may appeal to the circuit court of the county, and from the action of the circuit court may appeal to the Supreme Court.
(b) In addition to his duties as administrative officer of the county, the county judge shall be the judge of the county court, and the county court shall have jurisdiction with respect to the internal improvement and local concerns of the respective counties, except with respect to the duties of the county judge as the administrative officer of the county as provided in sub-section (a) of this section, as may be provided by law.
(c) Until otherwise provided by law, jurisdiction and duties of the county court, existing at the time of the adoption of this amendment, with respect to the custody of minors, the appointment of guardians of the property of minors, and the appointment of guardians of the person of minors, shall be vested in and performed by the chancery court of the county, provided that the General Assembly may vest such duties or jurisdiction in such other court or courts as may be provided by law."
SECTION 2. That Section 39 of Article VII of the Constitution of the State of Arkansas is hereby amended to read as follows:
"Section 39. Every township shall elect at least two justices of the peace and such additional number, based on the number of the square miles in the township as may be determined by law, to determine the number of additional justices of the peace to be elected from each township. The General Assembly may classify the counties of the State into general population groups, with the number to be elected from each township to be based on the classification of the county."

Volcano Erupts in Puerto Rico
SAN JOSE, Costa Rica (AP) - The Irazu volcano on Costa Rica's central plateau erupted Wednesday, sending up a 1,000-foot gray cloud.
The eruption caused alarm in nearby towns but there were no immediate reports of damage.
Irazu last erupted in 1963, continuing for 18 months and scattering millions of tons of ashes over the area.
The Arenal volcano in northwest Costa Rica, which began erupting several weeks ago, continued to shoot out vapor clouds Wednesday.

the Academic and God

The Great Teacher once said, when the fig tree buds it is spring. We might add, when the youngsters go back to school, it is fall. What a challenge back-to-school brings. It is time to learn more about math, and science, and citizenship, and God. How necessary to our American way of life are these basic requirements in our educational system. Our curriculum must include some precepts of Jesus if we are to have sufficient moral and spiritual stamina to endure. It has been said, education without a knowledge of God is dangerous. Our teachers, our preachers, and all loyal Americans should see to it that our basic education be broad enough to include both the academic and God. Of course our youngsters should be loyal to their colors, to their school, but they should also be faithful subjects of the Great God. They should worship in church every week.

You In The Church
The Church In You
— form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

Do unto others
as you would have
others do unto you.
— THE GOLDEN RULE

If you have faith
like a mustard seed...
nothing will be
impossible to you.
— THE BIBLE

Back in the days of Whist, some unsung player said, "When in doubt, lead trumps."

A much better aphorism would be, "When not in doubt, lead trumps."

North's two spade bids was one of those modern cue bids that may or may not show first round control of the suit, depending on just what the cue bidder holds.

East decided to jam the bidding with a jump to four spades and South was happy to be able to pass. He had a minimum opening bid and his partner had passed as dealer.

North's jump to six clubs was unsound. He had no reason to expect that a slam could be made but his partner could have the right cards. However, North did not like the way that East had jammed the bidding and decided that his jump to six clubs might well get East and West to go to six spades.

North was sure that his side would show a profit against that contract.

East and West refused the bait. They both passed and it was up to West to lead.

West was in doubt. He hated to lay down the ace of spades. It might just set up the king somewhere. He hated to lead from his king of hearts and he was not intrigued with his diamond doubleton. Finally he led a trump!

South drew trumps, discarded his three hearts on dummy's diamonds and conceded a spade trick.

We sympathize with East and are sorry for West but we do not approve of his trump lead. West should have attacked and the ace of spades opening would have been the best way to start. After that lead West would surely have found the shift to hearts and South would have been down two tricks.

DOCTOR'S MAILBAG

Commonest Ulcers Occur in Duodenum

By WAYNE G. BRANDSTADT, M.D.

Q—What are the symptoms of a stomach ulcer? Are X rays necessary for the diagnosis?

A—The commonest peptic ulcers are located just beyond the outlet of the stomach in the duodenum. The symptoms vary but, in most persons, the ulcer causes a gnawing sensation, that is located with the tip of one finger in the middle between the lower end of the breast bone (sternum) and the navel. This distress usually comes on two or three hours after a meal and is relieved by drinking milk or taking an antacid.

When the ulcer is located in the stomach itself the symptoms are not so clear-cut. Most victims don't have any symptoms and some have nausea or cramping pains that are more diffuse than those of a duodenal ulcer. Taking food, instead of relieving the pain, may aggravate it. The diagnosis is not always easy to make and X rays, taken after swallowing a barium meal, are usually requested to help confirm the diagnosis.

Q—I was operated on for a duodenal ulcer. My doctor says that, if I need to take aspirin for a headache, I should take Maalox or baking soda at the same time. What do you think?

A—Since aspirin irritates the stomach and duodenum it would be better to use one of the pain relievers that does not contain aspirin.

Q—Three years ago I had a bleeding duodenal ulcer. Is it advisable to have an annual X-ray examination to see whether it has come back? Is intestinal or stomach gas related to or caused by a peptic ulcer?

A—Unless you have failed to eliminate the cause of your ulcer or unless you have a return of your ulcer symptoms, I would not advise an X-ray examination. Time enough to do this when you get the ulcer type of distress.

Most intestinal and stomach gas is swallowed air. Some is the result of fermentation of the food you eat. Neither is related to or caused by an ulcer.

Q—What is meant by the term "ruptured ulcer with adynamic ileus"?

A—When a peptic ulcer ruptures, this is a surgical emergency. One result of the rupture is a "ruptured ulcer with adynamic ileus".

Refuses Negro, White License of Marriage

LITTLE ROCK (AP) — Pulaski County Clerk R. S. Peters refused Wednesday to accept an application for a marriage license from a Negro man and a white woman.

Peters said he took an oath to uphold Arkansas laws, including an 1838 statute forbidding racially mixed marriages.

The application was made by Michael Higgins and Susan Lane, both of Little Rock. They declined to discuss the matter.

Peters said he "faintly" recalled reading news accounts of the June 12, 1967 decision by the U.S. Supreme Court which declared antimiscegenation laws unconstitutional.

Peters said, however, he had received no official notice that this voided the Arkansas law.

"I can't go by what I read in the newspapers and I think any clerk who did would be crazy," Peters said.

The Supreme Court decision overturned a Virginia law.

The Arkansas law says it shall be a "high misdemeanor" for anyone to "contract" or "enter into" a marriage.

Peters said that his personal opinion "doesn't enter into it. If a court mandated us to issue the license, that would be it, period. We would have no choice."

He said a court decision in Arkansas was "bound to happen sooner or later" because "too many big people" were becoming involved in mixed marriages.

"I'm not going to get involved in making an issue of it," Peters said. "If I had issued the license, no telling what someone might have made of it."

Arkansas Dailies, Inc., 3387 Popular Av., Memphis, Tenn., 38111, 960 Hartford Bldg., Dallas 2, Texas, 75201, Michigan Ave., Chicago 1, Ill., 60 E. 42nd St., New York 17, N.Y.; 1275 Penobscot Bldg., Detroit 2, Mich.; 683 Shrivill Tower, Oklahoma City, Okla.

"solemnize" a mixed marriage. The law was apparently tested only once in the courts. That came in the 1800s and was found not to conflict with the U.S. or Arkansas constitutions.

PGA Would Agree to Golf Board

HOUSTON (AP) — The Professional Golf Association has indicated the PGA would agree to a control board that would include equal representation for the sponsor, player and the PGA.

Max Elbin, PGA president, appeared before major sponsors of the PGA's \$5.6 million tour Thursday. The sponsors were meeting to discuss a dispute between the PGA and the touring professionals. Further meetings were scheduled today.

Most of the touring pros left the PGA Aug. 13 in a dispute over control of the tour. They announced Aug. 19 the formation of a new organization called the American Professional Golfers.

Elbin said if the sponsors group united behind the PGA that the association is ready to formulate the 1969 tour schedule immediately. He also predicted that a united position between the two groups would persuade a majority of the current tournament players to remain under the PGA banner.

Elbin urged the group to share the responsibility for tournament golf with the PGA "and effect a lasting solution to the problems of the last three years."

"Tournament golf is at the crossroads," he told the sponsors. "You have two avenues open to you. Tournament golf can be conducted by the players who want full and complete authority over all activities. Or the game can go forward as a joint enterprise of the sponsors, players and the PGA."

None of the players involved in the dispute attend the meetings.

However, Sam Cames, New York attorney, attending the meetings as a representative of new players association, said the new group would consult with sponsors on the operation of the tour but would have no representation on the board of directors.

Gates said 161 tournament players had signed with the new group. He said "the PGA doesn't own the tour" and that it belongs to the public, the sponsors and the players, mostly the players.

Tigers, Cards Resume Flag Chase Tonight

By HAL BOCK

Associated Press Sports Writer
Detroit and St. Louis resume their pennant chase tonight with the Tigers home against the Minnesota Twins and the Cardinals hosting the San Francisco Giants for a twilight doubleheader.

The Tigers, enjoying an eight game budge, in the American League, have 21 games to play — the same number as pursuing Baltimore. That means the magic number for Detroit to clinch its first pennant since 1945 is 14. Any combination of 14 Tiger victories and/or Oriole losses will wrap it up for Detroit.

The National League Cardinals are 13½ games in front of second place San Francisco and have the same record as the Tigers — 89-52.

St. Louis, with 21 games remaining, has a magic number of seven to clinch its second consecutive flag.

In the only game played in the majors Thursday, the Chicago White Sox nipped Washington 2-1.

Gerry McNertney's two-run single in the seventh inning wiped out a 1-0 Washington lead and gave rookie Jerry Nymman his second straight victory. Nymman allowed three hits in seven innings with Hoyt Wilhelm and Gary Peters finishing up.

The Tigers send Denny McLain after his 28th victory to night against the Twins, who will counter with Jim Kaat, 12-10.

In tonight's other American League games, Washington plays at New York with Jim Hannan, 9-3, going for the Senators against Mel Stottlemyre, 18-11. Cleveland is at Oakland with Stan Williams, 11-9, opposing John "Blue Moon" Odom, 13-9.

Chicago sends Joe Horlen, 10-12, against the Orioles' Jim Harbin, 17-10, at Baltimore. Jim Lonborg, 5-5, goes for Boston against California's Dennis Bennett, 0-3, or Andy Messersmith, 1-0.

In the National League, the Cardinals have Bob Gibson, 20-9, and Steve Carlton, 12-9, ready to settle for San Francisco's Juan Marichal, 24-7, and Bob Bolin, 7-4, work for the Giants. In another two-night doubleheader, Cincinnati hosts Los Angeles with Tony Cloninger, 5-6 and Gerry Arrigo, 11-7, facing Bill Singer, 10-15, and Joe Moeller, 0-0.

Green Bay Choice for the Title

NEW YORK (AP) — Phil Bengtson rated a bonus after mastering Green Bay's dynamic defense for nine National Football League seasons.

So Vince Lombardi gave him the Packers' high-powered offense too.

Coach Bengtson plans to express his gratitude this winter by presenting ex-coach Lombardi with an unprecedented fourth straight NFL championship. General Manager Lombardi will settle for nothing less.

Jim Dooley, Chicago's defensive genius for the past two seasons and successor to Papa Bear George Halas as head coach this year, has other ideas. But the brawny Bears likely will have to settle for the runner-up spot in the Central Division.

The Los Angeles Rams and Baltimore Colts, who won every game they had to last year — except one, figure to slug it out for the Coastal Division crown again, with the Rams rated a slim choice to repeat.

Here's how the Western Conference races could wind up:

Central
1. Green Bay
2. Chicago
3. Detroit
4. Minnesota

Coastal
1. Los Angeles
2. Baltimore
3. San Francisco
4. Atlanta

Bobcat Squad Which Opens Season Tonight

Ashdown, Hope Meet Here Tonight

By RALPH ROUNTON

Star SportsWriter

The waiting is all over now; tonight is the night. It's time for the unveiling of the 1968 edition of the Hope Bobcats, as they hit the field for the 7:30 p.m. kickoff against the Ashdown Panthers.

For three weeks the Bobcats have readied themselves for the long season ahead, and in Coach Ronnie Higgins' words, "We're ready to play football."

Last night the first pep rally was held at Hammons Stadium, with a good crowd in presence. The field itself was damp from the week's continual rains, but the weatherman calls for good, clear skies tonight.

As the team sat there on the fifty-yard line last night gazing at the field they were to play on, anyone could see the faces of the Cats turn into portraits of determination.

That expression remained stolid when Coach Higgins remarked before introducing the individual players that he felt that up to that point it was one of the worst pep rallies he had seen. Needless to say, those words stung his listeners, but that spark of spirit became a flame in the yells following his speech.

Of course, there is that final air of pessimism preceding the opener every year concerning just how good we really are. That's now left up to whatever happens tonight.

Two names which were left off the main article of the football edition are Dillon and Gary Wheelington, who returned to the team late this week after recovering from injuries which had caused them to miss most of the preseason workouts. Also omitted was Howard Stroud, a senior first-year tackle.

Gary Wheelington is a sophomore who starred on the junior high track squad last year, setting a school record with a 10.4 in the 100 yard dash. Gary will be playing mostly at end. Dillon Wheelington, older brother of Gary, is a junior this year who will be playing in the defensive secondary. Howard Stroud is a big (190) tackle who is tough enough to provide some possible depth as well as size when he gets the fundamentals down pat.

As far as the Ashdown Panthers are concerned, count on them to pass, pass, pass. Coach Dick Hays has a transfer from Alabama at quarterback, a 155-pound senior named Bill Perry who is reputed to have a good throwing arm.

Perry will have some fine receivers in All-District end Billy Bob Pounds and tight end Earl Black. The main problem is in the backfield, where there are no experienced running backs available. Ashdown's main hopes seem to stem from developing a running game out of the basic winged-T in order to complement their passing attack.

The Panthers have also been known to spread out the defense as far as possible, using all kinds of unorthodox formations. Their own defense is going to have to be very potent, however, to stop the Bobcats' balanced attack.

There's only one thing left to mention, and that's the fact that the Bobcats are going to need everyone's support, beginning tonight. How about dropping by Hammons Stadium this evening for a few hours. You may be glad you did.

Camden Still Rebuilding Grid Team

By RALPH ROUNTON

Star SportsWriter

George Burke's first year as head coach at Camden was a long, re-building one; the Panthers would play 1-7-2 overall and 1-6-1 in conference play.

And even though eight starters return from '67, only one or two of them are exceptional athletes. Most of those returning eight didn't start until the last few games, when Burke started building for the future.

Three ends of about equal ability will be battling it out for the first-team spots, and should provide fair depth there. Seniors Ronny Jones (165) and Tommy McCord (160) and junior Randy Garner (170) are the trio, with

Cincinnati to Find Out the Truth

By MIKE BRYSON

Associated Press Sports Writer
Cincinnati will find out if a couple of preseason surprises mean anything in the first play-keeps match, while the prestige of the venerable National Football League is at stake in a couple of games that don't mean anything this weekend.

In a quirk of scheduling, the expansion Bengals open the American League campaign at San Diego Friday night before most of the other pro teams wrap exhibition activity.

The Bengals, rated two touchdown underdogs in the game to be nationally televised by the National Broadcasting Co. at 8:30 p.m., pulled off a couple of upsets in their last two exhibitions — beating Pittsburgh and the New York Jets.

Two other AFL openers also are on tap during the weekend, Boston is at Buffalo Sunday, while two top threats — Kansas City's Western Division runners-up and Houston's defending Eastern titlists — meet at Houston Monday night, both games will be televised nationally by NBC.

In addition, there are 10 exhibitions Friday night and Saturday — including two interleague tests. And, the NFL will have to win both to accomplish a little face saving.

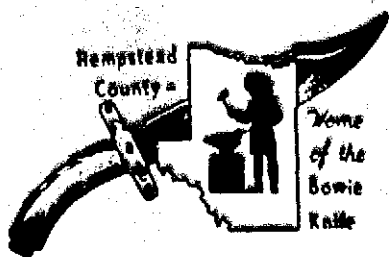

Because of Joe Namath's injured knee, Detroit, NFL, is favored to stop the New York Jets, AFL, in the first game of a doubleheader at Cleveland Saturday night. But a showdown the same evening between the Atlanta Falcons, NFL, at Miami, AFL, is rated a toss-up.

Three NFL exhibitions are scheduled Friday night: Minnesota vs. New Orleans at Shreveport, La., St. Louis at Chicago and San Francisco at Los Angeles.

Green Bay's champions collide with the Browns in the second game of the doubleheader at Cleveland Saturday night, while New York plays Philadelphia in the afternoon at Princeton, N.J., Baltimore is at Dallas, and Pittsburgh plays Washington at Norfolk, Va.

Bobcats Could Be Dist. Darkhorse; Meet the 1968 Football Players

By RALPH ROUNTON
Star Sports-Writer

The leading darkhorses in Region 4-AAA, here are the Hope Bobcats for 1968, predicted to finish second in 4-AAA West by Mr. and Mrs. W. C. Beck. "Big Mike" Miller, tight end, is the team's star. He is a big, strong, and fast player, and has looked good so far," said Coach Ronnie Higgins.

SENIORS (7)
Mike Allen — A two-year letterman, Mike has played nearly every position during his sophomore and junior years. The son of Mr. and Mrs. Gene Allen, Mike will wear No. 30 and he scales 181 pounds. "Quick and aggressive. A good hitter, he is improving at center though he still has a way to go."

Carroll Beck — Probably the most publicized Bobcat in the press publications, Carroll

RALPH ROUNTON
Beginning his second football season as Hope Star Sports-Writer is Ralph Rounton, a junior at Hope High School.

Rounton, now 16, took over the job in March of 1967 after assisting the earlier sportswriters. In the last few years he has been statistician of almost all of HHS' athletic teams. This past school year he worked with the football Bobcats and Bobkittens and kept the stats for the girls' basketball teams.

A two-year letterman on the HHS golf team, he was captain of the squad last season, and has participated in the district and state competitions.

He is also employed as an announcer by KXAR, and handles son of Mr. and Mrs. Vic Massanelli. "Much improved passer games. A member of the First United Methodist Church, he is the son of Mr. and Mrs. Bill Rounton.

est Bobcat, Jerry has been hampered by injuries but is a top-year letterman. Jerry is built long at 6'4" and 215 pounds, and will wear No. 22. He is the son of Mrs. Linnie McWilliams.

"Good runner and pass receiver. He is better than many realize at monster man on defense," says Coach Higgins.

Ralph Miller — A first-year footballer, Ralph will be back-ling up at end. Wearing No. 86, he stands 5'10" and weighs 150 pounds. "Just learning the fundamentals, he will help out when he finds himself."

Playing senior ball for the first time, Mike was a starter in junior high. The son of Mr. and Mrs. Wallace Monroe, Mike stands 5'9" and scales 160 pounds. "A real sleeper at defensive end, Mike has the desire to win."

Ken Mullins — Like Monroe, Ken is out for the Bobcats for the first time since junior high but is a probable starter as an offensive tackle. With No. 76 on his back, Ken is now 6'2" and weighs 210 pounds. He is the son of Mr. and Mrs. Ruel Mullins.

"A fighter who is mean on the field. Still learning, he should be at his peak when we get into district games."

Randy Quillen — Still another newcomer to football, Randy is a natural athlete who will pass a lick from his tackle spot. Filling out at 6'0" and 165 pounds, he is the son of Mr. and Mrs. Don Worley. "Has shown a desire to play, and wants to be a regular. He will add depth around guard and tackle."

Danny Reyenga — A fine basketball player making his first stab at football, Danny has really come along at tailback and defensive halfback. Wearing No. 26 and scaling 150 pounds, Danny is the son of Mr. and Mrs. Bill Reyenga. "A good athlete. He is showing good progress and will continue to improve."

James Rowe — After backing up as nose guard for two seasons, James is now a leading candidate to start at defensive halfback. Though small at 5'8" and 157 pounds, James wants to excel. The son of Mr. and Mrs. Lacle Rowe, he will wear No. 69. "A real competitor, showed his endurance as 4-AAA champ in the mile run. Good attitude."

Jim Singleton — Still growing at 6'5", Jim continues to fill out and gain coordination and probably will not realize his potential until after high school. Putting 165 pounds into No. 81, Jim is battling to start at split end. He is the son of Mr. and Mrs. Jim Singleton.

ROPE (ARK) STAR, Printed by Offset

Forrest Singleton — Lots of desire, still improving as a pass receiver, but has the time to find himself and show his potential. Simmons Smith — New to football, Simmons stuck out the two weeks and will provide needed depth at center. Standing 5'10", Simmons weighs 152 pounds and will wear No. 55. He is the son of Mr. and Mrs. H. M. Smith.

"Good hands. Could be moved as to help out on defense. A long way to go, but he has shown enthusiasm."

JUNIORS (10)
Jim Alford — Showing his great potential, Jim made the second team All-Conference at linebacker as a sophomore. This year he will also start as a halfback wearing No. 31 and working up to 6'0" and 180 pounds. He is the son of Mr. and Mrs. Dexter Alford. "A natural leader on the field and a straight-A student. Jim always gives that 110 per cent."

Ronny Brown — Came into his own at defensive end as a sophomore, and will go both ways as offensive guard. Brown is 6'0" and weighs 175 pounds, and is the son of Mr. and Mrs. Jewell Still. "Lot of enthusiasm, will gain experience in 'B' games this year."

Phil Watkins — The last of a good-sized bunch of juniors, Phil works mostly at end. A switch could wind him up at tackle, however, where he would use his size (6'2", 180) well. The son of Mr. and Mrs. Jack Watkins, he will wear No. 90. "A comer in the line, wants to play. Still working out his weaknesses."

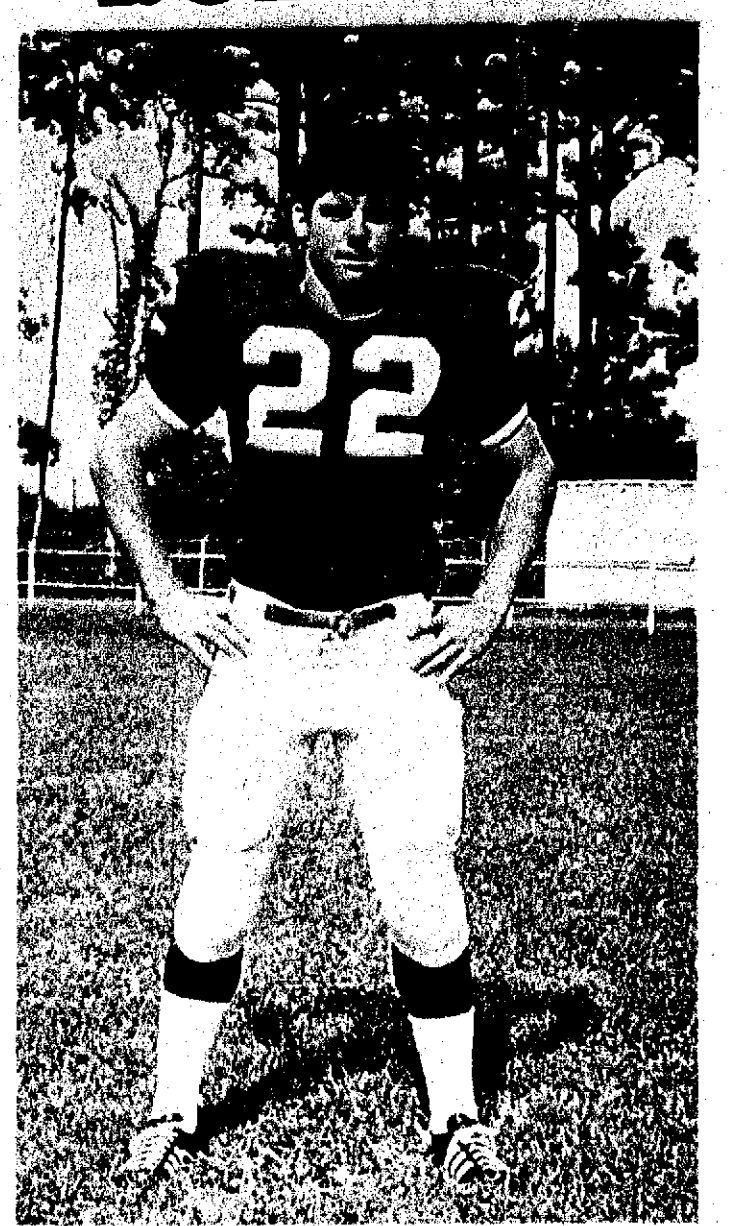

SCOTCHBORES (2)
Scott Gunter — The only tackle out of a relatively small group of sophomores, Scott started for the Bobkittens last year. Still growing at 5'10" and 155, Scott wears No. 73, and is the son of Mr. and Mrs. Charles Gunter. "Good future prospect. Bothered at this time by a bad knee, but has the desire to play."

Randy Wright — He started at center two years in junior high, and now makes the transition to senior high ball. At 5'8" and 155 pounds, Randy will wear No. 54. He is the son of Dr. and Mrs. George Wright. "Got what it takes to make a good center, but will have to work hard to develop himself."

Thirty-six Hope Bobcats are listed above, and they all have the common mission of winning every game they play. They might achieve that goal, and they might not, but they will see much action as a soph. "A hard worker in the backfield and at linebacker, Gary has a lot of potential."

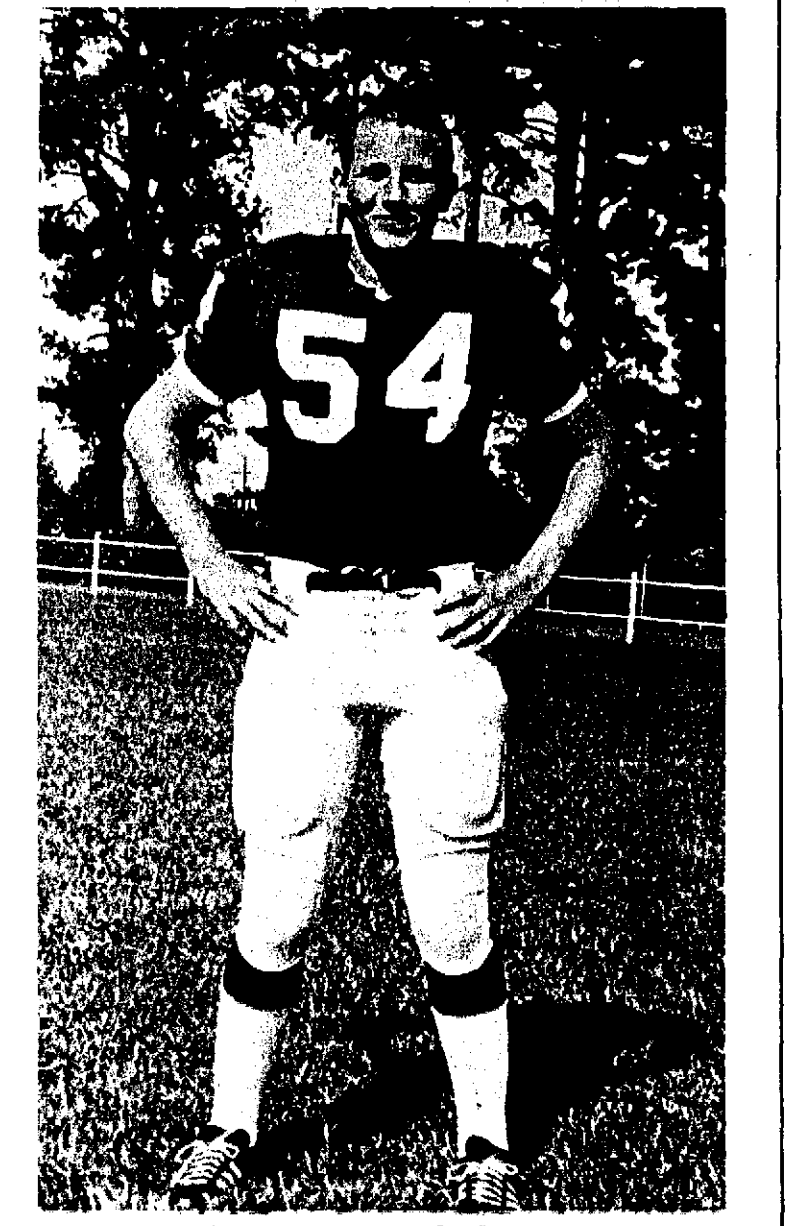

Ronnie Massanelli — For two

Ashdown Has 9 Returning Lettermen

By RALPH ROUNTON
Star Sports-Writer

With only nine lettermen returning from the 4-4-2 team last year, Coach Dick Hays should expect improvements from his Ashdown Panthers after two straight second-place finishes. Little is actually known about the Panthers, against whom our Bobcats open the season. The Hope teams have never played Ashdown before, and little can be drawn from the preseason football publications.

Coch Hays did lose all four of his backfield starters from '67 and he expresses pessimism over his squad's outlook. For lack he will have to pray for luck, which in some form was answered by the new paper mill in Ashdown. Paper mills mean people moving in, and people moving in mean more football players.

However, the Arkansas rule is that an athlete must have gone to school in a certain school system for at least one semester before he is eligible to participate in athletics in that system. This rule is to prevent recruiting, which not so many years ago was a common practice everywhere.

Rumor has it that four or five moved in early enough to be eligible for the 1968 season, but they are unproven and unknown. One of them is supposed to be a quarterback. The Panthers do have an experienced end in Billy Bob Pounds (175) and a fair split receiver in Wayne Coley (150).

Two tackles return, and both will have to go both ways. Ricky Ward (160) will start with Johnny Youngblood (170). After that it's anyone's guess as to how good they are.

With depth problems and no backfield experience, Coach Dick Hays will have to endure a rebuilding year barring miracles.

However, it appears that Coach Don Hubbard may have to partly do away with the two-platoon system in the line, as the defense has it all over the offense. The Panthers have a solid starting backfield, but further depth will come from the defense. Four offensive starters are returning, and they are the four backs. Mike Waters (175), a good passer, is a fair signal-caller, though not outstanding. Two speedsters man the half-back slots in Larry Eddy (170) and Wayne Miles (170), but the diamond-in-the-rough is fullback Robert Hasley.

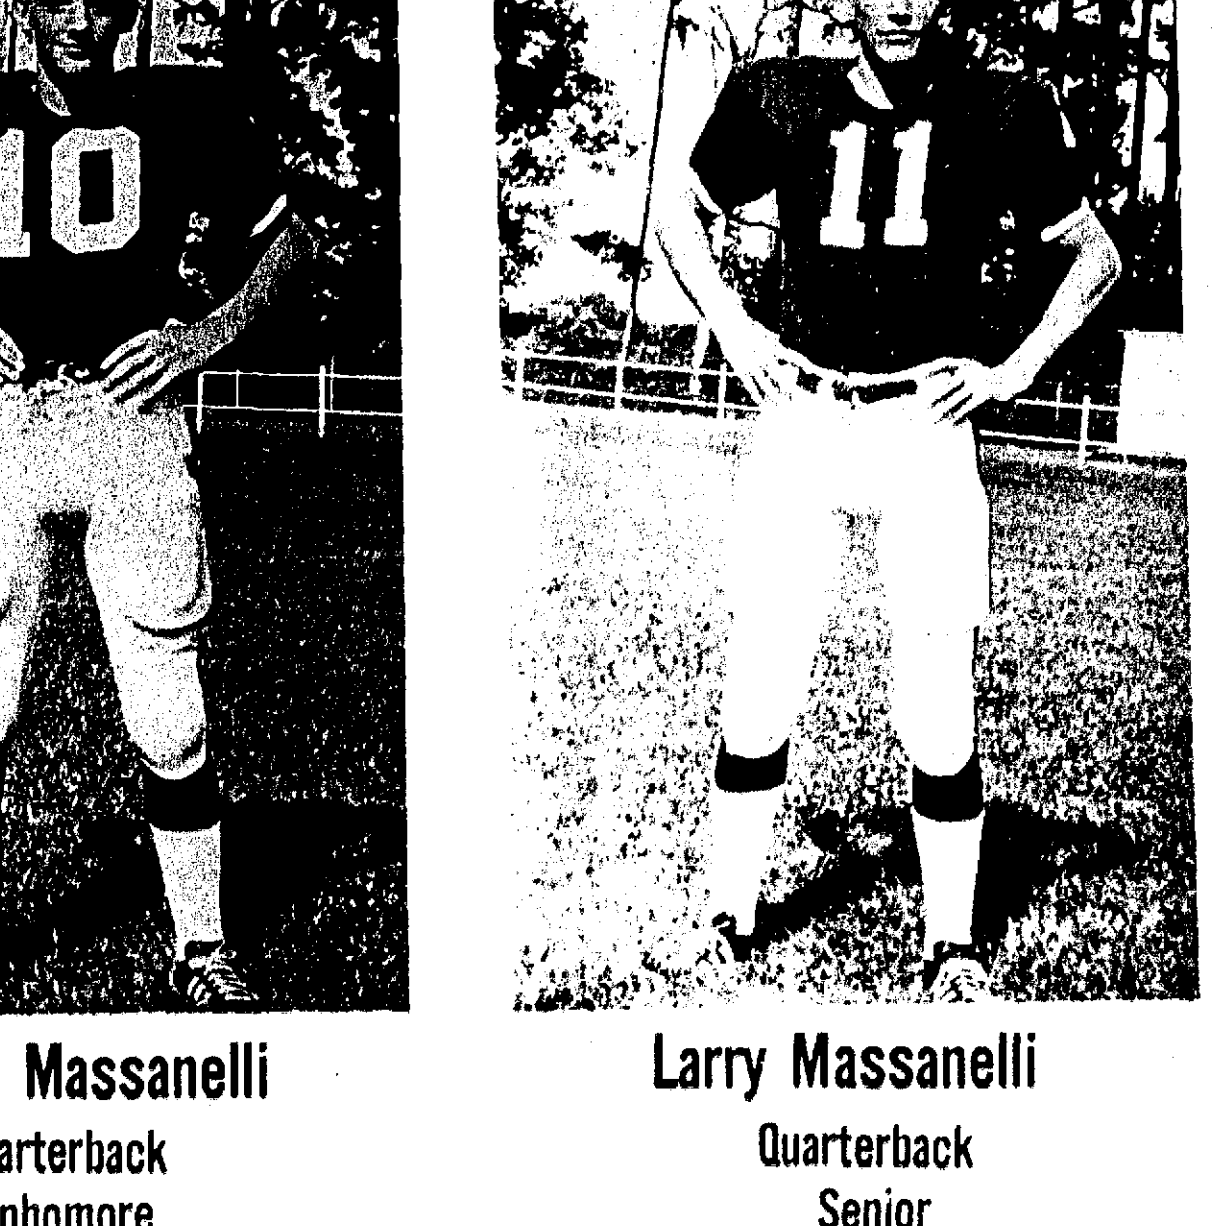

Four offensive starters are re-

Only in his third year of coaching, Ronnie Higgins moves into the job of head coach of the Bobcats after one year as an assistant here. Higgins, 25, came to Hope from Fordyce, where he was head assistant. Last year he was in charge of the Bobcats' defensive unit. After graduating from Warren High School, Coach Higgins set records at Arkansas A&M at fullback and by kicking. At A&M he was All-AIC his last three years, and made the small college All-American team. A member of the First Baptist Church of Hope, Higgins is married to the former Sherry Lovett of Crossett.

Last year he was in charge of the Bobcat offense after assisting for a semester at Arkansas A&M. After graduating from McGhee High School in 1962, Coach Lawrence attended Arkansas A&M, where he made All-AIC two years at defensive halfback.

Entered his first football season as a coach is Jim Jordan, who was actually added to the Hope High staff in January. Coach Jordan came to Hope immediately after graduating from Ouachita Baptist University, where he majored in social science and physical education. Playing at OBU he made All-AIC and was given honorable mention to the NAA All-American squad. As the quarterback at OBU, Jordan set three new AIC records in total offense, passing yardage, and passes completed. He was also All-AIC at shortstop on the baseball team, and was drafted by the San Francisco Giants.

Two Schools Added to Dist. 7-A

By RALPH ROUNTON
Star Sports Writer

After being dominated by Nashville and Ashdown for the past few years, District 7-A comes into 1968 with a new look and a balanced league.

First of all, two schools have been added to 7-A and begin full-scale competition this year. Pease High of Arkadelphia and Hope's Yerger Tigers both have many returning lettermen and starters, and could challenge for the title.

This possibility is heightened when one notices that no one team seems set for a great year. The Nashville Scrappers had it all last year and were the state Class A champions with an 11-1 mark. But Coach Joe Goodrum's forces will be lacking greatly with the loss of an all-state QB, James Turley, and numerous other all-district nominees. The line is nearly all wiped out, and backs Ronnie Haller and Jim Worley are the best left from last year's bunch.

The Mena Bearcats could be the most improved school with 15 lettermen coming off a 3-7-1 mark in '67. If Coach Jim Prather can solve depth problems in the line and get a top performance from third-year signal-caller Frank Childers, Mena could be a contender.

After finishing high in the district for several years running, the Ashdown Panthers likely will have to begin rebuilding with sophomores and juniors. Only nine letter-winners return from the 4-4-3 team of a year ago, and the few seniors will be going both ways until the underclassmen develop. Probably the best athlete around Ashdown and a key to the team is Billy Bob Pounds, a hard-running halfback.

Gurdon was 8-4 last season, and should be a little off after losing a good crew of ten seniors. Depth will be a problem, but the Go-Devils should be a top darkhorse. DeQueen fell to the depths of 2-8-1 in Hula Lindsey's first year last season, and the Leopards will surprise some people with good depth in the line and a strong backfield.

But everyone must have his share of the sour grapes. Anyone from Hope could tell you that.

Your district champion, though, after a long time of waiting, should be the Prescott Curley Wolves. After picked lowly last year, they surprised everyone with a 6-4-1 mark and a near upset of Nashville. Bill Greer returns to quarterback with a good chance of making All-District, as does fullback Danny Jones, who can murder you from linebacker too. The line will lack depth but will be adequately large, with guard Wayne Zumwalt (165), tackle Jim Westmoreland (175), and end Danny Ashbrook (170) the returning starters.

Leopards May Not Be Much Better

By RALPH ROUNTON
Star Sports Writer

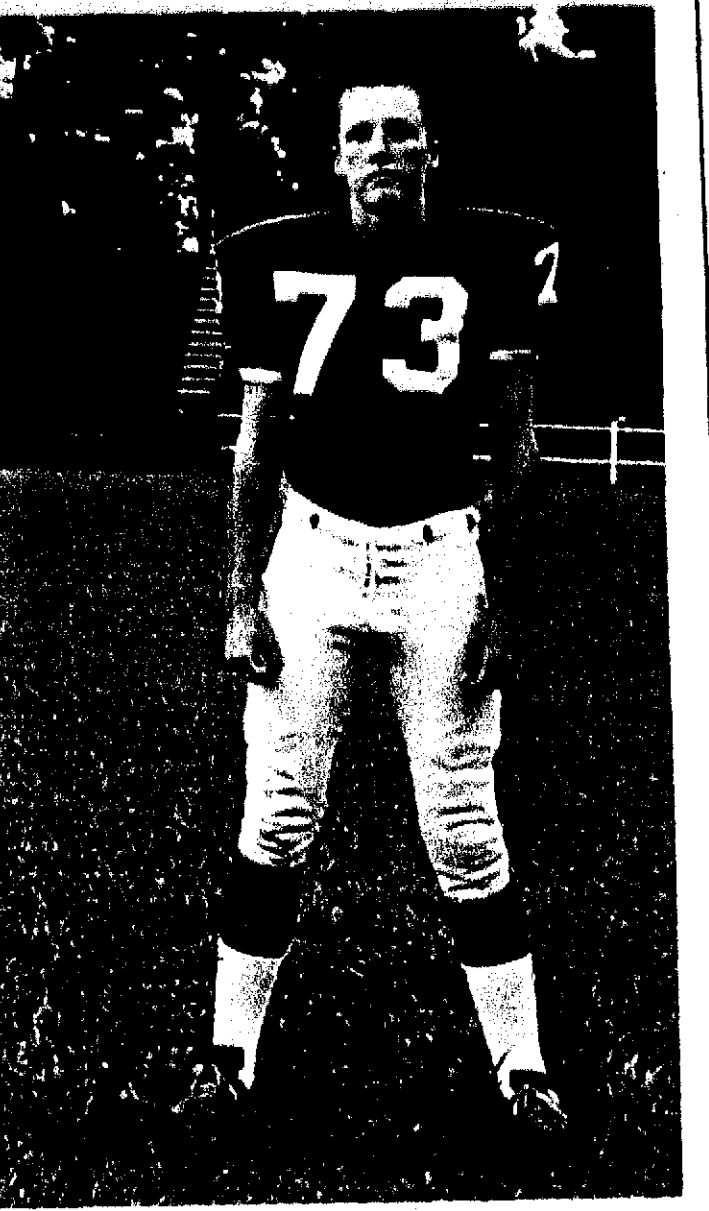

Falling to the depths of a 2-8-4 mark in '67, the DeQueen Leopards don't look much better this time around in their attempt to challenge in District 7-A.

Entering his second year as head coach at DeQueen, Hula Lindsey welcomes about ten lettermen back after losing eleven seniors last time. Lindsey has some fine ends, including junior Jackie Bell (170), who also kicks for the Leopards. He will be joined by either of two juniors, Glenn Munn (175) or Johnny Tollett (165). Bell started most of last season.

Two tackles will lead the rest, because they both were first-teamers at one time or another last year. They are seniors Glen Knod, a hard-blocking 175-pounder, and Tommy Little (170). Only two squadmen return at guard, and they will not have backup help from anyone else. Seniors Dennis Turner and Mike Brewer, at 170 pounds each, will try to fill the holes. But when you come to center position, there is absolutely no experienced hands around.

The backfield appears to be a little stronger, with the return of starting QB Dickie Van Belver (135). The main rushing wheel will be Ronnie Cambell (165), who also played a lot last season. Running beside Campbell will be speedy Twalet Wilson, a 140-pound junior who returned punts for the Leopards as a soph. Finally, Coach Lindsey is going to have to find him of the sour grapes. Anyone from Hope could tell you that.

Most Teams Figure to Be Stronger

By RALPH ROUTON

Star Sports Writer
Football 1968 should be quite exciting to the south Arkansas sports fan, who will enjoy the usual tight races in Region 4-AA as well as in the AIC.

Most experts predict 4-AA's Western Division to be slightly stronger than the East, and this conclusion is well grounded. Three of 4-AA's four strongest schools are in the West, and this writer has picked them in order only to have predicted finishes. Malvern, Hope, and Fairview should easily be the class of the West, and this prognosticator has them finishing that way in his mind. Of course, we all will be rooting for the Bobcats, but picking them on top would probably do more harm than good.

The biggest games of the year will be in these teams' round-robin, and Hope has the advantage of playing both Malvern and Fairview at Hammons Stadium. Malvern has the easiest inter-divisional schedule, since they

will not have to play Magnolia from the Eastern Division.

Count in the Camden Lincoln Tigers as a distant fourth in the West standings, but not before a tough battle with those Arkadelphia Badgers. Texarkana Washington will most probably trail the pack.

Fairview was picked by one source as the Number 1 team in the state in Class AA for '68, but it'll take one heckuva season for them to retain their 4-AA championship. Malvern is my favorite with the 'bifocal' offense of Coach David Alpe, who has taught the formation all the way up and everyone experienced with the Leopard's old Winged-T setup is gone.

Our Bobcats are going to surprise people with a big, hard-charging line that some close observers rate higher than the monstrous forward walls of the championship years of 1963 and 1964. If Coach Ronnie Higgins can work out depth problems in the offensive backfield and in the defensive secondary, everything could be rosy at Hope.

Scrappers Probably Rebuilding

By RALPH ROUTON

Star Sports Writer
After nearly half a decade of dominating District 7-A, Joe Goodrum's Nashville Scrappers don't quite have a title contender this year.

The defending state Class A champs, whose only loss in '67 was a 19-13 defeat by 4-AA Magnolia, lost twenty seniors from that 1-1 squad. Only four starters return for the title defense, and things are going to be straight uphill for the Scrappers.

However, adding the desire and pride of a long winning tradition, and the fact that there still are some fine football players hanging around Nashville, those Scrappers from 27 miles north might just be tough.

Looking at the individual personnel, one finds that Coach Goodrum lost all but one offensive

lineman. But that '67 team had loads of depth, and replacements are ready and available.

The returnee is senior Robin McClure (190), who is a good receiver as well as a fine defensive end. Leading the list of candidates for the opposite spot is quick Billy Gallaher, a 145-pound senior.

Both starting tackles departed, but there is size and experience left. Seniors Danny Harding (215) and Wayne Spring (195) are the oldest and heaviest, and are dubbed most likely to start.

Big Jim Dixon, an All-Stater at guard, has graduated, as well as Gerry Bob Graves, an All-District performer. Hold your sympathy, because Nashville is prepared. David Ponder (160), a two-year letterman and returning defensive starter, will fill one side. He will be joined by whoever sticks out from five returning contenders excluding sophomores.

A new man must be found for the center spot, and the two competitors are so close that one could easily wind up at a guard or tackle spot. If one is switched, then junior Eddie Stavelly

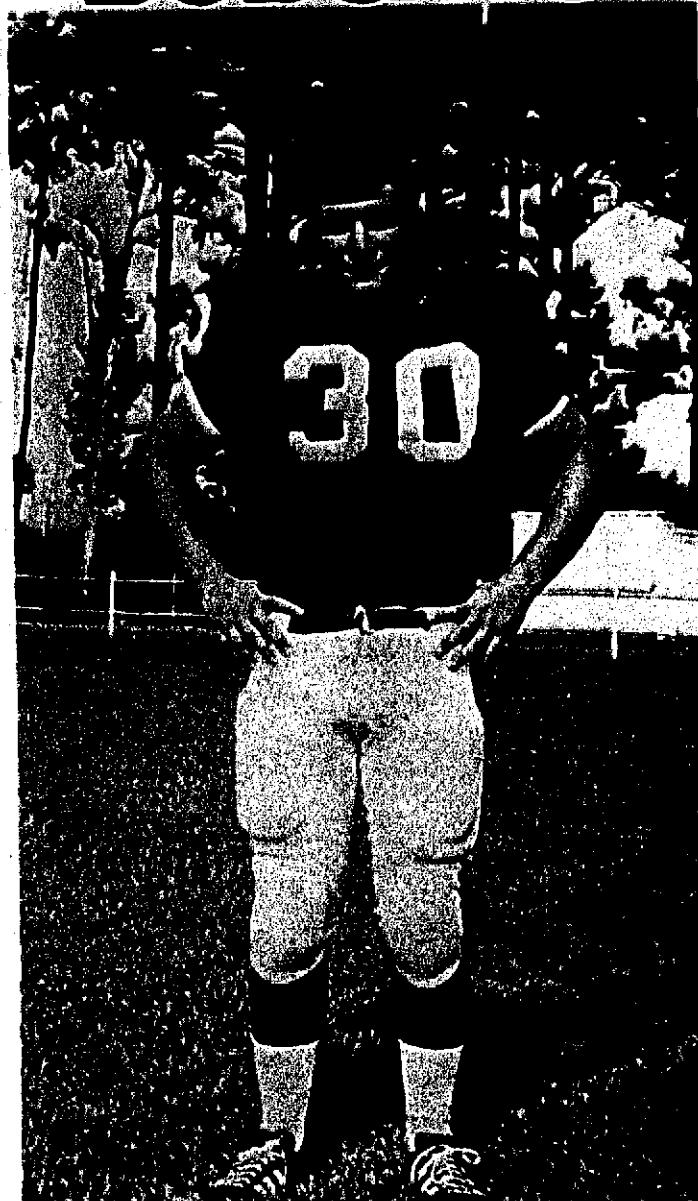

(160) is a better-than-adequate backup. Probably the center will be Johnny Harding, a senior who scales 185 pounds. The other loss is Bernie Kroul, another senior at 175 pounds.

The biggest problem will be replacing All-State QB James Turley, who did it all for the Scrappers last year. William Turley, younger brother of James, has speed but is not large at 140. Also in the running is senior Tommy DeBlack (150), who started in junior high.

Behind the quarterback, though, the Scrappers have a backfield likely as good as any around in Class A. Tailback Ronnie Halter is the first of the trio of seniors. Halter (155) is hard to halt, and he is also a fine one for catching that pigskin and cutting a trail. At the wing or slot-back position is swift Bubba Wallis, who also handles the place-kicking chores. Wallis is as fast as Halter, and together they should be murder on kickoff.

That's a capsule review of the Nashville Scrappers, who are supposed to be Prescott's big challengers for the 7-A trophy. If Coach Joe Goodrum can come up with a quarterback who has a good arm and get the right people in the right spots on defense, Nashville won't be just tough; they'll be ultra-tough.
